

Willesden Fruit Harvesters

Picking and sharing fruit in the community

Is your fruit crop going to waste -
do you need help to pick it?

Do you want to help us pick fruit?

We pick fruit from gardens in Willesden and Dollis Hill and distribute the surplus to local community groups. Join us to harvest local fruit, or help us make it into jams, chutney, or juice.

For more information please email willesdenharvesters@gmail.com

Willesden Fruit Harvesters is part of Transition Willesden
